

## Control cable Camerakabel CAM-CC

**Application** : Flexible combi cable for use in security systems, such as camera surveillance systems.

**TECHNICAL DATA** : TYPE CAM-CC

**Remarks** : 2 flexible cores + 1 x coax 75 Ohm

|   |                                   |
|---|-----------------------------------|
| Conductor category                                    | : Class 5 = flexible              |
| Stranding element                                     | : No                              |
| Conductor material                                    | : Cu, bare                        |
| Core insulation                                       | : Copolymer, thermoplastic        |
| Core identification                                   | : Colour                          |
| Protective conductor                                  | : No                              |
| Inner sheath  | : No                              |
| Screen over stranding element                         | : None                            |
| Screen over stranding                                 | : None                            |
| Material outer sheath                                 | : PVC                             |
| Colour outer sheath                                   | : Black                           |
| Halogen free (acc. EN 60754-1/2)                      | : No                              |
| Flame retardant                                       | : In accordance with EN 60332-1-2 |
| Low smoke (acc. EN 61034-2)                           | : No                              |
| Low temperature resistant (acc. EN 60811-504+505+506) | : No                              |
| Oil resistant (acc. EN 60811-404)                     | : No                              |
| Permitted cable outer temperature, in movement        | : -5°C to 70°C                    |
| Permitted cable outer temperature, fixed              | : -30°C to 70°C                   |
| Nominal voltage U                                     | : 500V                            |
| Core protecton  | : No                              |
